

(b) Fish on floating objects in the Convention Area using any gear type specified by the Regional Administrator's notification of closure issued under § 300.29.

(c) Use tender vessels in the Convention Area.

(d) Transship purse seine-caught tuna at sea within the Convention Area.

* * * * *

5. Section 300.29 is added to Subpart C to read as follows:

§ 300.29 Eastern Pacific fisheries management.

(a) *Notification of IATTC recommendations.* The Regional Administrator will directly notify owners or agents of U.S. tuna vessels of any fishery management recommendations made by the IATTC and approved by the Department of State that will affect fishing or other activities by U.S. parties with fishery interests in the Convention Area. As soon as practicable after such notification, the Regional Administrator will announce approved IATTC recommendations in the **Federal Register**.

(b) *Tuna quotas.* (1) Fishing seasons for all tuna species begin on January 1 and end either on December 31 or when NMFS closes the fishery for a specific species.

(2) The Regional Administrator may close the U.S. fishery for yellowfin, bigeye, or skipjack tuna or any other tuna species in the Convention Area or portion of the Convention Area when advised by the Director of Investigations of the IATTC that the associated quota has been or is projected to be reached. Any such closure may include:

(i) An allowance for an incidental catch that may be landed while fishing for other tuna species;

(ii) A prohibition on the further setting of specified gear types on floating objects by U.S. vessels in the Convention Area;

(iii) Provisions for vessels that are at sea during an announced closure to fish unrestricted until the fishing trip is completed;

(iv) Provisions for vessels at sea with an observer on board during any closure to land fish unrestricted if the landing occurs after December 31; or

(v) Other measures to ensure that the conservation and management measures of the IATTC are achieved.

(3) The Regional Administrator will announce any such closures directly to the owners or agents of U.S. vessels who are fishing in or are eligible to fish in the Convention Area.

(4) As soon as practicable after being advised of the quota attainment or

projection under paragraph (b)(2) of this section, the Regional Administrator will publish an announcement of the closure in the **Federal Register**.

(c) *Use of tender vessels.* No person subject to these regulations may use a tender vessel in the Convention Area.

(d) *Transshipments at sea.* No person subject to these regulations may transship purse seine-caught tuna from one vessel to another vessel at sea within the Convention Area.

PART 300—[AMENDED]

6. In addition to the amendments set forth under the authority of 16 U.S.C. 773 *et seq.*; 16 U.S.C. 951–961 and 971 *et seq.*; 16 U.S.C. 973–973r; 16 U.S.C. 2431 *et seq.*; 16 U.S.C. 3371–3378; 16 U.S.C. 3636(b); 16 U.S.C. 5501 *et seq.*; and 16 U.S.C. 1801 *et seq.*, in part 300, revise all references to “Regional Director” to read “Regional Administrator”.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 990304062–9062–01; I.D. 080999J]

Fisheries of the Exclusive Economic Zone Off Alaska; Northern Rockfish in the Central Regulatory Area of the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Closure.

SUMMARY: NMFS is prohibiting directed fishing for northern rockfish in the Central Regulatory Area of the Gulf of Alaska (GOA). This action is necessary to prevent exceeding the 1999 total allowable catch (TAC) of northern rockfish in this area.

DATES: Effective 1200 hrs, Alaska local time (A.L.T.), August 10, 1999, through 2400 hrs, A.L.T., December 31, 1999.

FOR FURTHER INFORMATION CONTACT: Mary Furuness, 907–586–7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-

Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 1999 TAC of northern rockfish in the Central Regulatory Area of the Gulf of Alaska was established by the Final 1999 Harvest Specifications of Groundfish for the GOA (64 FR 12094, March 11, 1999) as 4,150 metric tons (mt), determined in accordance with § 679.20(c)(3)(ii). The directed fishery for northern rockfish in the Central Regulatory Area was closed under § 679.20(d)(iii) on July 19, 1999 (64 FR 39090, July 21, 1999), and reopened on August 6, 1999 (64 FR 43296, August 10, 1999).

On July 19, 1999 (64 FR 39090, July 21, 1999), in accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator), determined that the 1999 TAC for northern rockfish would be reached. Therefore, the Regional Administrator established a directed fishing allowance of 3,650 mt, and set aside the remaining 500 mt as bycatch to support other anticipated groundfish fisheries. In accordance with § 679.20(d)(1)(iii), the Regional Administrator finds that this directed fishing allowance has been reached. Consequently, NMFS is prohibiting directed fishing for northern rockfish in the Central Regulatory Area of the GOA.

Maximum retainable bycatch amounts may be found in the regulations at § 679.20(e) and (f).

Classification

This action responds to the best available information recently obtained from the fishery. It must be implemented immediately to prevent overharvesting the 1999 TAC of northern rockfish for the Central Regulatory Area of the GOA. A delay in the effective date is impracticable and contrary to the public interest. Further delay would only result in overharvest. NMFS finds for good cause that the implementation of this action should not be delayed for 30 days. Accordingly, under 5 U.S.C. 553(d), a delay in the effective date is hereby waived.

This action is required by 50 CFR 679.20 and is exempt from review under E.O. 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: August 10, 1999.

Bruce C. Morehead,
Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
